EXECUTIVE ORDER NO. 05
Series of 2017

AN ORDER CREATING THE PROVINCIAL COMMITTEE AND ITS TECHNICAL WORKING COMMITTEES (TWCs) ON THE FORMULATION OF THE COMPREHENSIVE FLOOD CONTROL MASTER PLAN OF THE PROVINCE OF DAVAO DEL NORTE

WHEREAS, the effects of climate change and global warming accelerates at a greater rate than perceived and are attributed to more heavy rainfall events across the world over the last few decade along with an increased likelihood of devastating floods;

WHEREAS, the Philippines like any other country was not spared from the devastating effects of this global phenomenon with widespread flooding almost a regular occurrence over the past years with damages costing up to billions of pesos mostly incurred from flood-damaged properties, infrastructures and crops;

WHEREAS, recognizing the urgency to respond to this problem of global concern, the Philippine Government enacted Republic Act 9729, otherwise known as the Climate Change Act of 2009 on 27 July 2009 to allow the mainstreaming of climate change into government formulation of programs and projects, plans and strategies, and polices, creation of Climate Change Commission, and establishment of Framework Strategy and Program for Climate Change;

WHEREAS, pursuant to the National Climate Action Plan for 2011-2028 of the Climate Change Commission, the government shall endeavor priority programs and activities to address the urgent and immediate needs and concerns of the Philippines relating to the adverse effect of climate change on food security, water sufficiency, environmental and ecological stability, human security, sustainable energy, industries and services, and capacity development;

WHEREAS, on the same vein, Republic Act 10121 or the Philippine Disaster Risk Reduction and Management Act, was also passed on May 2010 to emphasize the need to formulate a comprehensive and integrated local disaster risk reduction and management plan in accordance with the national and provincial framework;

WHEREAS, in the local level, the Province of Davao del Norte has recently been distressed by the effect of the tail-end-of-the cold front which brought torrential rains in many places causing severe flooding that damaged infrastructures, agriculture, economic, properties and even loss of life of people; thereby, compelling the Sangguniang Panlalawigan to declare the entire Province under the State of Calamity by virtue of Resolution No. 083, series of 2017;

WHEREAS, disaster risk reduction involves all the systematic efforts to mitigate, prepare and respond to the risks of disaster occurrences, including activities such as contingency planning, stockpiling of equipment and supplies, the development of arrangements for coordination, evacuation, public information, and disaster relief;

WHEREAS, the formulation of a mitigating measure for disaster risk reduction and other disaster and climate change-related plans, specifically a Comprehensive Flood Control Master Plan necessitates the creation of a Committee and a Technical Working Committees (TWCs) to take charge in the plan preparation;

NOW, THEREFORE, I, ANTONIO RAFAEL G. DEL ROSARIO, Provincial Governor of Davao del Norte Province, by virtue of the powers vested in me by law do hereby order the following amendments:

BASTA DavNor, THE BEST!

Hon. Anthony G. del Rosario
Governor, Davao del Norte

Section 1. Provincial Committee. There shall be Provincial Comprehensive Flood Control Master Plan Committee created with the following composition:
